Re: Federal Freedom of Information Act Request Regarding
the 2012 Replacement of Atmos Energy Corporation's 12" Gas Pipeline by
Driver Pipeline Company, Inc.; Starting at or about the intersection of West Oates
Drive and Frontier Boulevard in Garland Texas and Running Northeast to the
Intersection of East Oates Drive and Wynn Joyce Road in Garland, Texas
Adjacent to Lake Ray Hubbard (the "Pipeline Project")

Dear Sir or Madam;

I hereby request, pursuant to the Federal Freedom of Information Act Request, that you produce any and all documents and/or communications, hard copy or electronic, pertaining in any way to the Pipeline Project or any of its ancillary activities, including, without limitation a) any hearing or other proceeding transcripts or notes, b) notices of any kind, c) emails, d) recordings, e) notes, f) inspection reports, g) complaints, h) applications, I) approvals, j) permits, k) opinions, i) designs, or m) proposals; pertaining to or arising out of the Pipeline Project; including without limitation, any arising out of or pertaining to the use or other release of injected material intended to assist in advancing the new pipeline by means of boring or out of or pertaining to any subsurface investigations performed in preparation for or otherwise in connection with the Pipeline Project.

Please feel free to call me to discuss if you believe that this request as currently phrased will result in the production of an excessive amount of documentation, and I will be glad to discuss ways to streamline the request.

Sincerely,

J. Patrick McLaughlin
